Re: *Joint Section 214 Application for Transfer of Control of Broadview Wholly-Owned Subsidiaries to Windstream Holdings, Inc.*, WC Docket No. 17-110

Dear Ms. Dortch:

At the request of FCC staff, Windstream Holdings, Inc. (“Windstream”) and Broadview Networks Holdings, Inc. (“Broadview”) hereby supplement the pending Applications in the above-captioned proceeding.

First, Windstream identifies the states in which it offers service. Windstream’s incumbent local exchange carrier subsidiaries offer services in Alabama, Arkansas, Florida, Georgia, Iowa, Kentucky, Minnesota, Mississippi, Missouri, Nebraska, New Mexico, New York, North Carolina, Ohio, Oklahoma, Pennsylvania, South Carolina, and Texas. Windstream’s competitive local exchange carrier (“CLEC”) subsidiaries offer services in portions of all states, although all services are not provided in all areas.

Second, the three miles of Broadview’s owned fiber that overlap with Windstream’s fiber network are within Windstream’s CLEC territory in Connecticut and Massachusetts.

Third, under the terms of the indefeasible right of use that Broadview obtained from Windstream, at the expiration date the rights to the fiber revert back to Windstream.

Should you have any additional questions, please do not hesitate to contact me.

Sincerely,

Julie A. Veach
Counsel to Windstream Holdings, Inc.
